Re: **Software Engineer**

Dear HR,

This letter is to express my interest in your posting at **Oracle** for a
Software Engineer . With a Bachelor's degree in **Electronics
and Computer Science.** and hands-on experience using
various languages, tech and tools. to create and implement software
applications,I am confident I will be an asset to your organization.

I enjoy being challenged and engaging with projects that require me to
work outside my comfort and knowledge set, as continuing to learn new
languages and development techniques are important to me and the
success of your organization.
Your listed requirements closely match my background and skills.

I've attached a copy of my resume that details my projects and experience
in software development. I can be reached anytime via my cell phone,
9027423537 or via email at 2000520320034@ietlucknow.ac.in

Thank you for your time and consideration. I look forward to know your response
for me about this opportunity.

Sincerely,
LALIT KUMAR
